CAMPERS WILL:

- Study the structure of the English language in a fun and engaging way. This will include using a structured, multisensory approach to understanding why words are pronounced and spelled the way they are. Campers will also learn how to explain what they have learned.
- Campers will have the opportunity to use different accommodations and choose the accommodations that work best for them.
- Campers will learn self-advocacy skills. They will also have the opportunity to practice these new skills.
- Parents/guardians of campers are invited to attend the last 45 minutes of each day so that the campers can share what they have learned. This will help the camper continue to use what they learn once they go home.

*Snacks and drinks will be provided.

*All materials will be provided.
